- Science:

-folder or folder in filing system
-hand lens like this :
https://www.acornnaturalists.com/products/optics-containers/magnifiers/5x-folding-pocket-magnifier-hard-case.html
-create a science space at home if you can: table, corner, shelf etc...
-Field Guides are great to have:
https://www.acornnaturalists.com/catalogsearch/result/?q=california+field+guide

- Language Arts

-"the short books" are amazing for early readers and learning high frequency words
https://www.theshortbooks.com/

-Primary Phonics-another great set of books for early to intermediate readers. It's progressive and builds on skills and I find students have a lot of success with them. There are story books and work books that go along with them but you can purchase them separately.
