### School Description

#### Mission Statement

Pacific School's mission is to prepare children for life through experiential learning that addresses the needs of the whole child. We create a safe and secure school environment that promotes social and academic growth and develops an enthusiasm for learning, a positive self-image, and cross-cultural understanding.

#### School Profile

Pacific School offers children, parents, and staff the unique opportunity to work together in a small, harmonious environment, giving individual attention and individualized instruction. The School Plan focuses on an integrated curriculum that allows learning to take on greater meaning and connection to the world and to students' lives.

The staff intends to provide a school environment that nourishes each child's emotional, physical, and social development while stimulating curiosity and creativity. The staff endeavors to generate a love of learning, which will sustain children as they grow and develop. Classrooms and materials are well cared for, creating beautiful, stimulating environments. Pride in the school is demonstrated in the care that the children show the materials, buildings, and garden.

During the 2018-19 school year, the school served about 116 students in grades kindergarten through six.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

Pacific School District endeavors to provide sufficient and current textbooks and materials to support instructional programs. Pacific School District held a Public Hearing on September 18, 2018, and determined that the school has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Textbooks and Instructional Materials Year and month in which data were collected: 9/2018	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Benchmark Adopted in 2017  The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	Eureka Math Adopted in 2014  The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Science	FOSS Adopted in 2018  The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

### School Facility Conditions and Planned Improvements (Most Recent Year)

The physical environment of Pacific School is continually maintained to the best of our ability. Classrooms and grounds are kept free of litter and graffiti. Students are expected to participate in daily cleanup. The playground, classrooms, fire extinguishers, and emergency exit lights are formally inspected at least monthly. Repairs to damage are made as quickly as possible. The principal conducts at least two comprehensive inspections a year, in the fall and spring, using the inspection checklist from the State Office of Public School Construction. The inspection covers the school site, including office, classrooms, kitchen, and playground safety.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 3/9/17		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	The old furnaces were replaced on 10/18/17 with new, highly efficient models. The stove in the kitchen was repaired on 8/14/18. A broken part that connects the property's sewer to the municipal sewer was replaced on 8/29/18.
<b>Interior:</b> Interior Surfaces	Good	Several rooms had damaged ceiling tiles that were replaced 8/18.
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	Playground and play structure: Blacktop was repaved in 4/16. Lawn was top-dressed and re-seeded 8/18. A contractor treats for gophers 2x/mo and rodents 1x/mo.
<b>Electrical:</b> Electrical	Good	New energy-efficient lighting was installed in entire campus in spring 2016. Solar panels were installed on MU roof 8/18.
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	Low flow plumbing fixtures were installed in all bathrooms in spring 2017. Drinking fountain was repaired 12/17.
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	A limited number of cleaning chemicals are stored in the custodial closet.
<b>Structural:</b> Structural Damage, Roofs	Good	Roof leak around skylight in hallway and room #3 was repaired 8x in 2017-18.
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Windows in dining rooms were sealed July 2016. A missing segment of the perimeter fence was completed 4/18.
<b>Overall Rating</b>	<b>Good</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	54.0	66.0	54.0	66.0	48.0	50.0
Math	54.0	60.0	54.0	60.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	23.1	46.2	15.4

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018-19)

Pacific Elementary School values parents as an integral part of the educational process. To that end, the following is a summary of our three major areas for parental involvement: volunteering in the classroom, on field trips, and during events; joining the Pacific School Foundation/Pacific School Parents' Club, and serving in governance capacities such as the School Site Council or Board of Trustees.

Parents are vitally important to Pacific School and the school actively encourages their participation. Parents overwhelmingly say they feel welcome and included when surveyed each year. Parents should contact their child's teacher if they are interested in volunteering in the classroom on a regular basis. Classroom volunteer needs are discussed each year at Back-to-School Night. In our Independent Studies Program, which is a hybrid between homeschooling and a traditional school program, parents are the teachers of their own and each others' children. Field trips are frequent and parents are crucial to their smooth functioning. Some field trips, for the older students, involve multi-day excursions and depend upon actively involved parents to make them possible.

The Pacific School Foundation (PSF)/Pacific School Parents' Club (PSPC) is an important volunteer organization that meets at least monthly. PSF/PSPC is responsible for coordinating several large fundraisers, managing donations, organizing family/community events such as Potato Night and Bingo Night. PSF/PSPC is always eager to recruit new members to maintain and invigorate a culture of active support.

The School Site Council (SSC) is made up of five parent/community members and five staff members. The Site Council is responsible for revising and recommending several important plans that provide direction of the school in key areas. The SSC reviews the Local Control Accountability Plan (LCAP), the Comprehensive School Safety Plan, the Wellness Plan, and the Technology Plan. They also act as an advisory committee to the school board. The Site Council is also responsible for surveying parents to determine concerns and program needs. In this capacity, parent members serve as a link between parents, staff, and the governing board. When there is an empty seat available on the Site Council, all parents are encouraged to participate in the election of a new member. All meetings are open to the public. The School Board is composed of three elected members. Their job is to set policy for the school district and to direct the Superintendent/Principal in carrying out those policies.

Parents who have special skills are encouraged to share their expertise with the children, both as demonstrations and as lessons during school hours. Also, parents sometimes seek the opportunity to give classes to students after school. The school is happy to provide support for these classes when scheduling and spaces are available. In the past, parents have given lessons in art, dance, sewing, knitting, Spanish, music, and drama. Parents are also actively involved in helping to meet needs with the school library, Life Lab garden, landscaping, and maintenance. Indeed, our school would be notably deficient without their continued generosity.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

Pacific School District has developed a comprehensive School Safety Plan that addresses the emotional safety as well as the physical safety of all members of the school community. The School Safety Plan was developed by the Safety Committee in conjunction with the Pacific School Site Council, which is made up of parents and staff members. The Plan is reviewed and revised annually by both the Site Council and the School Board. It is then submitted to the County Office of Education. The School Safety Plan is available for viewing in the school’s office.

### Professional Development provided for Teachers

Pacific School professional development activities are designed by staff, in conjunction with the other three single school districts in the county, to be pertinent to their needs and enhance student learning. A variety of staff development opportunities are provided to increase interest and expertise, acquire new ideas and materials, and develop teaching, organization, and classroom management skills.

Pacific School's staff meets throughout the year, in various settings, to both plan and deliver the training in a reciprocal fashion. First, the needs are identified during the previous year. Second, the teachers and principal meet monthly to discuss needs, review research, and share best practices. Any new opportunities are discussed at that time. Third, subcommittees of teachers meet to work on various aspects of improving our practice. The work of these groups is then brought to the entire faculty for implementation. Assessments of student progress and staff strengths and competencies are considered when professional development is planned.

Recommendations from the School Board and the School Site Council are considered when planning activities. Staff members are encouraged to participate in professional development programs offered by the Santa Cruz County Office of Education. Special Education staff and aides have taken advantage in several workshops offered through the county SELPA. Pacific School staff members collaborate with the other three small school districts in the county for at least one professional development day per year. Whenever possible, the principal takes part in professional development programs along with staff members.

Teachers are provided with release time to attend special workshops and classes, and time is allowed at staff meetings and in-service days for staff members to share information they have gained that will benefit other staff members. Mentor teachers provide expertise in areas of strength and the school's Technology Coordinator provides technical assistance and staff technology training on a frequent basis.

Since the 2011-12 school year, two professional development days are scheduled in coordination with the three other small school districts to collaborate and share best practices. The staff continues to assess needs and either take advantage of minimum days every Wednesday or take individual staff development opportunities to attend workshops. The staff has focused on math, writing, science (including the Life Lab garden curriculum), English Language Development, and differentiating instruction to meet the needs of gifted students. Other staff development topics include Step Up To Writing, the Common Core Standards implementation, Environmental Education, Next Generation Science Standards, and the Visual And Performing Arts (VAPA) standards.

During the 2018-19 school year, Pacific contracted with a private consultant (Rebecca Setziol) to provide professional development in mathematics instruction. Specifically, Ms. Setziol coached teachers in Teaching Through Problem Solving, using a gradual release of responsibility model.

A restructured week with four longer days and a shorter day on Wednesdays provides time for weekly meetings and collaboration, as well as the development of curriculum and materials in each classroom.

The school participates in the state-sponsored Beginning Teachers Support and Assessment program (BTSA), as appropriate. The goals of the BTSA program are to help new teachers succeed, foster increased retention of quality teachers within the teaching profession, and improve instruction for students.

### **Types of Services Funded**

The Local Control Funding Formula (LCFF) and federal categorical grants (Title II-A, Title III, and REAP) provide the following services at Pacific Elementary School:

Technology/Media Literacy  
Art & Music instruction  
Gifted and Talented Education (GATE)  
Instructional Materials  
Classroom Aide support  
Teacher Professional Development  
Response to Intervention Services (RTI)  
Physical Education materials  
Educational Field Trips  
Food Lab  
Life Lab

### **Career Technical Education Programs**

N/A

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
