

Pacific Elementary School's Interdistrict Transfer and Enrollment Procedures

Board Approved December 2016

Programs

Pacific School maintains two programs, a traditional classroom program (5-day) and an independent study program (IS).

Renewal of Interdistrict Transfer Agreements

All interdistrict transfer agreements for students transferring into Pacific Elementary School District must be renewed annually.

The principal/superintendent may deny or revoke an interdistrict transfer agreement for any of the reasons specified in Administrative Regulation 5117 (also listed below). Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601.

Order of Priority and Lottery Procedures

Each year, Pacific Elementary School will fill its classes up to the capacity determined by the superintendent following the guidelines established by the Board of Directors. Available spaces will be filled based on the following order of priority: within each grade level and program (IS or 5-day), students in priority group 1 will be accommodated first, followed by students in priority groups 2, 3, 4, and 5 in that order.

If more students exist within priority groups 3 or 4 for a single grade level and program than can be accommodated, a lottery will be held to determine the order in which available spaces are offered to students within the priority groups.

All necessary lotteries will be held at a public meeting of the Board of Directors to take place between February 15 and February 28 each year. For each necessary lottery, all students within a single priority group, program, and grade level will be assigned a number. The website www.random.org will be used to generate a randomly ordered list of the assigned numbers. The ordered list will be used to order the students on an overall waitlist for the grade and program.

Offering and Accepting Spaces

Students will be offered available spaces in order from the grade-level and program-specific lists generated by the priority groups and lotteries. Families will have 3 business days to accept an offered space before it may be offered to the next family on the list. Interdistrict families must submit an interdistrict transfer form (IDT), also called a "Request for Interdistrict Attendance Permit," to their home district within 3 business days of accepting an offered space. Failure to submit an IDT within this timeframe may result in the offered space being revoked and offered to the next family on the list.

Students interested in either program (IS or 5-day) will be included in both lotteries or priority groups. If it is determined that space is available for the student in both programs, the family will be notified and have 3 business days to select which program the student will attend. Students currently enrolled in one program, but interested in

transferring to the other program, whose families complete the appropriate paperwork on time, will maintain their enrollment in the current program until they have been offered and accepted a space in the new program.

Priority Group 1 – Highest Priority

In-district students include students whose primary residence is documented to be within the Pacific Elementary School District boundaries, in accordance with Education Code 48204. Acceptable forms of documentation of residence are described in Education Code 48201.1 and include rental agreements and utility statements.

- New and returning students whose primary residence is within the district boundaries.
- New and returning students who have at least one custodial parent who regularly works 10 hours or more per week, Mondays through Fridays, within the district boundaries, who have been accepted by the District in accordance with Education Code section 48204(b).

All in-district students, as defined by Education Code 48204, will be accommodated in the 5-day program unless they have been placed in and are succeeding in the Independent Study program. Enrollment and continued placement in the Independent Study program is not guaranteed to any student, in-district or interdistrict, as clarified under Group 3 below and within the stipulations of the Independent Study Contract.

Priority Group 3

If spaces are available after students in priority groups 1 and 2 have been accommodated, they shall be filled from students in the following categories in an order determined by random lottery (if necessary). However, interdistrict transfer students or families identified by the superintendent as meeting any of the conditions specified in Administrative Regulation 5117 as reasons to deny or revoke an interdistrict transfer agreement may be excluded.

However, interdistrict transfer students or families identified by the superintendent as meeting any of the conditions specified in Administrative Regulation 5117 as reasons to deny or revoke an interdistrict transfer agreement may be excluded.

- All students whose families submit a complete lottery application by February 10 and who are not included in priority groups 1, 2, or 3
- All currently enrolled interdistrict students (kindergarten through grade 5) whose families did *not* submit an IDT to their home district by February 1

Priority Group 5

Students in group 5 will be added at the end of the waitlist generated by any lotteries of the above groups in order by date of inquiry. However, interdistrict transfer students or families identified by the superintendent as meeting any of the conditions specified in Administrative Regulation 5117 as reasons to deny or revoke an interdistrict transfer agreement may be excluded. Priority group 5 includes:

- Everyone who expresses an interest in attending Pacific Elementary School or transferring between programs after February 10

2. The student has a history of unsatisfactory attendance or fails to regularly attend Pacific School.
3. The student has a history of suspension or expulsion or disciplinary incidents that have persisted despite corrective efforts.

 - b. All classrooms, both Independent Study and 5-day, will be limited to an absolute maximum of 28 students at all times.
 - c. The number of students in the Independent Study program shall not exceed the number allowable for apportionment. Specifically, the ratio of student average daily attendance to teacher full time equivalents in Independent Study must be less than the same ratio in the 5-day program.
7. Material information on the application or supporting documentation has been falsified or omitted.
8. The application is incomplete.
9. The parent/guardian is repeatedly inaccessible for purposes of receiving notices, obtaining consent, or communicating with district personnel as necessary, appropriate, or required by law.
