

Hi Pacific Elementary Community!

Some of you may have seen me accompanying the 4th grade this year for Gold Dust or Bust, but previous to that I taught music at a couple of schools in the Grass Valley area, ran a community choir with my dad, and directed music at the Unitarian Universalist church there. My wife and I moved to Boulder Creek in 2023, and I currently serve as the music director at the Unitarian Universalist Fellowship of Santa Cruz County, as well as teaching music at Rivendell Music Academy in Felton.

I love musicals, choir, jazz, rock, and folk to name a few genres, and am excited to bring these among other offerings to the curriculum next year as your new music teacher. I look forward to meeting you and working with the wonderful students of Pacific Elementary.

Jordan Ingalls-Rose
