

# Pacific Elementary School - The Year at a Glance

Pacific School is a unique place where our kids learn, grow, and thrive. Parents like you represent our tight-knit community that comes together each year to ensure our children have the best learning experience possible. Through fundraising events, an annual appeal, and other avenues of support, parents and others contribute to the wonderful programs offered. Beyond that, we also build and strengthen our community through other non-fundraising events throughout the year.

Based on our annual fundraising goal, we need to raise about \$400 per student to fund the programs we all hold so dear, and that benefit our children. We know that not all families can do that, so we ask for everyone to do what they can to help us reach our overall goal. This calendar can help you plan how best to reach your family's fundraising goal for the year.
