

Hello Pacific School Foundation families and friends!

We had a wonderful PSF meeting this month! We discussed changes to next year's schedule, plans for new construction, financial updates and funding requests from teachers and parents, and upcoming events (some new!). We also shared some food, laughs, and mutual support. The only problem was there were just five people in attendance, including Mr. Gross and three PSF officers. We were unable to vote on any action items because we did not have a quorum.

As a community-led organization, we believe fundamentally in group collaboration. **We have several upcoming events where we need your input and support to make them happen:**

- April Bingo/Silent Auction lead(s) and helpers needed
- May Staff Appreciation Week Committee
- Web support/design to get the PSF website back up and running
- Popcorn Wednesday subs needed
- Yearbook support - photos and sales

While we may not have seen you at meetings, we have felt your support for PSF community events and generous donations of time, goods, and funding that once again have helped us reach our annual programming goal, yet our work is not done in a tenuous federal funding climate.

We hope that you will join us at our next PSF meeting: Tuesday, March 11th from 5:30-6:30pm at Rosie McCann's in downtown Santa Cruz. Come celebrate St. Patrick's Day, enjoy some good food and community, and get more involved in supporting your child's school! All parents/guardians are automatic PSF members and welcome.

Thank you for all you do to make such a wonderful Pacific School community. We literally can't do it without you. We look forward to seeing and hearing from you!

Your PSF officers,

Amelia Gray, President
Melanie Munir, Secretary
Nanette Blackburn, Treasurer
