Getting to know you, SCHEDULE A TIME:

I want to set up individual times to virtually meet with you and your child. If possible please sign up before Wednesday when school "begins". It should take about 30 minutes and will be via ZOOM. If you would prefer to meet in person at School, we can set up a time for a 1 on 1. Please email me with questions.

The First Week:

Next week school begins on Wednesday. By then you should pick up the packet for the first month of school (available Monday after 10:00 a.m.). I will leave the packets, along with some school supplies in a box labeled **Joy's Jellyfish** (Kindergarten). Each bag will have your child's name on it and will have your login for Seesaw included in your packet. I ask that everyone login and set up Seesaw on a device for your child before Wednesday's first "Class meeting". The school will provide a Chromebook if needed.

PLEASE RESPOND:

Please respond to this email with:

Do you have connection issues and will not be able to login daily (I can add activities to your child's packets)
Let me know if you are planning your own curriculum.

Let me know your questions, concerns, and fun info about your kiddo.

What is the best way to reach you?

What does your child need/want to support them with learning from home this year?

Are you comfortable doing a few 1 on 1 meetings in person?

Small group playdates or Pods desired?

Can I share your contact info with the class so you can connect with each other?

What day and time is best EACH WEEK for a 1 on 1 zoom with your child?

Looking forward to meeting everyone soon!

Best,

Ms. Joy
