## **PURPOSE AND AUTHORITY**

California SB 553 requires California employers to establish, implement, and maintain at all times in all work areas an effective Workplace Violence Protection Plan (WVPP).

The WVPP, a component of the Injury and Illness Prevention Program, is intended to establish a framework for protecting employees from workplace violence. This plan includes the following components:

1. Names or job titles of the persons responsible for implementing the plan. If there are multiple persons responsible for the plan, their roles shall be clearly described.
2. Effective procedures to obtain the active involvement of employees and authorized employee representatives in developing and implementing the plan.
3. Methods that will be used to coordinate implementation of the plan with other employers, when applicable, to ensure that those employers and employees understand their respective roles, as provided in the plan.
4. Effective procedures for the employer to accept and respond to reports of workplace violence, and to prohibit retaliation against an employee who makes such a report.
5. Effective procedures to ensure that supervisory and nonsupervisory employees comply with the plan
6. Effective procedures to communicate with employees regarding workplace violence matters, including, but not limited to, both of the following:
  - a. How an employee can report a violent incident, threat, or other workplace violence concern to the employer or law enforcement without fear of reprisal.

  - c. Whenever the employer is made aware of a new or previously unrecognized hazard.
10. Procedures to correct workplace violence hazards identified above, in a timely manner consistent with the IIPP, including:

## 1. PERSON(S) RESPONSIBLE FOR IMPELEMENTING THE WVPP

The ultimate responsibility for overseeing the development, implementation, and maintenance of the WVPP, rests with the Superintendent/Principal.

### Recommendations for compliance with this section:

The employee you select to be responsible for the WVPP should have the authority and technical ability to develop, implement and monitor this plan. They should also be able to influence and educate other employees and managers on their role(s) related to implementing and enforcing portions of this plan with their employees.

## **2. PROCEDURS FOR INVOLVING EMPLOYEES IN THE DEVELOPMENT AND IMPELMENTATION OF THE WVPP**

Involving employees in the development and implementation of our WVPP is a critical component to the program's overall effectiveness. We welcome and encourage employees to participate in both the initial development and implementation as well as the ongoing/annual refresher of this plan. We will utilize the following procedures to involve employees in the development and implementation of this plan:

### **Recommendations for compliance with this section:**

In this section, you should define the process and procedures you will follow to ensure employees are able to provide input on, and participate in, the development and implementation of this plan. These procedures should be specific and

achievable. Options for meeting the requirements of this section could include the options below:

- Establish a WVPP committee and making it open to all employees, including sharing meeting dates, locations agendas and minutes.
- Implementing an employee survey soliciting feedback and input on specific aspects of both the development and implementation of this plan.
- Request employees to submit their ideas directly to the person responsible for this WVPP (as identified above) via email or telephone.
- Make use of an anonymous suggestion box (physical or electronic) for employees to share ideas. In using this option, include where these suggestion boxes or email addresses can be found.
- Have site/department managers solicit feedback and/or indicate their interest in participating during a staff meeting.

### 3. WVPP IMPLEMENTATION & COODRINATION

In an effort to ensure that all employees understand their respective roles in this plan, that they understand all aspects of this plan, and they understand how to report incidents of workplace violence, we will take the following steps:

1. Provide employee training and verify comprehension (i.e., quizzes/tests).
2. Post and share meeting agendas and minutes from committees or teams involved in the development of this plan as outlined in Section 2 above.
3. Generating emails, newsletters, memos, or other means of communication providing updates to all employees at various stages throughout the development and implementation of this plan, including timelines and next steps.

#### Recommendations for compliance with this section:

In this section, you should define and outline the steps you will take to ensure employees understand their respective roles in this plan, that they understand all aspects of this plan, and they understand how to report incidents of workplace violence. This section is essentially about communication and training.

#### **4. PROCEDURES TO ACCEPT & RESPOND TO REPORTS OF WORKPLACE VIOLENCE**

## 7. EMPLOYEE TRAINING

We will provide employees with initial training when the plan is first established, and annually thereafter, on all of the following:

1. Our WVPP plan, how to obtain a copy of the plan at no cost, and how to participate in development and implementation of the plan.
2. The definitions and requirements of SB 553.
3. How to report workplace violence incidents or concerns to us and/or law enforcement, without fear of reprisal.
4. Workplace violence hazards specific to employees' jobs, the corrective measures we have implemented, how to seek assistance to prevent or respond to violence, and strategies to avoid physical harm.
5. The required violent incident log and how to obtain copies of records.
6. An opportunity for interactive questions and answers with a person knowledgeable about the employer's plan.

Additional training shall be provided when a new or previously unrecognized workplace violence hazard has been identified and when changes are made to the plan. The additional training may be limited to addressing the new workplace violence hazard or changes to the plan.

### Recommendations for compliance with this section:

The training requirements of SB 553 include some topics that are generic in nature (not specific to your workplace, positions, or employees), while others are going to be very specific to the workplace hazards you have identified for specific occupations, as well as your specific corrective actions that you implemented to control those hazards. These topics may not be readily available or achievable by utilizing generic online training from a third party and are likely better achieved by having in-person meetings/trainings that have been customized to your specific plan, to discuss these specific items with your affected employees.

## **8. RECORDKEEPING**

Records of workplace violence hazard identification, evaluation, and correction will be created and maintained for a minimum of five years.

Training records will be created and maintained for a minimum of one year and include training dates, contents or a summary of the training sessions, names and qualifications of persons conducting the training, and names and job titles of all persons attending the training sessions.

Violent incident logs will be maintained for a minimum of five years.

Records of workplace violence incident investigations will be maintained for a minimum of five years. These records shall not contain “medical information,” as defined in subdivision (j) of Section 56.05 of the Civil Code.

All records required above by will be made available to employees and their representatives, upon request and without cost, for examination and copying within 15 calendar days of a request.

The Superintendent/Principal will be responsible for ensuring that all relevant records are completed, maintained, and made available upon request as required by this program and/or Cal/OSHA. A safe and healthy workplace is the goal of everyone at Pacific Elementary), with responsibility shared by management and staff alike.
